"Will you be toting around you little ones on your next trip? Well, there are a few items that can make that journey a whole lot easier."

"This is the 3-in-1 Carrier that you're wearing. Now, 3-in1. This is #1—carry baby."

SNAZZY BABY
Deluxe Combo Carrier
\$88

"This is a hip carrier and you can use it for kids up to 45 or so pounds. I had mine in here when she was about 8 months old, and it just makes traveling so easy. Use #2 is in the shopping cart. You can actually strap this into the shopping cart, because people now don't like to put there babies in there."

"Because they're nasty!"

"Exactly. And #3, this doubles as a high chair. So you can restrain your child in a regular chair."

"Can I use it for 14 year olds too? Just kidding."

"You'll need a bigger one."

"3-in-1—I like that."
